Segments, Processes, Risks & Controls

1 Information Integrity

2 Bus	iness Requi	rements
		ms designed according to user needs?
		CC-R1 Poor design/implementation
		e not designed according to user needs or are not properly implemented
	CC-C01	Involve users in review and approval to ensure systems are designed to meet user requirements
	CC-C02	Use project management procedures to ensure proper management of systems development activities
	CC-C03	Use a systems development life-cycle, which includes the following key aspects or phases: Request for systems design Feasibility study General system design Detailed system specifications Program testing System testing Conversion System acceptance and approval
3 Cha	nge Control	
	211	CC-R2 Poor program change control
	System and	program modifications are implemented incorrectly
_	CC-C04	Use well-controlled system and program change procedures, including:
		- Properly approved system/ program change requests
		- Approved changes are tracked throughout change process
		- Review and approve final design of changes by users
		- All changes, including those initiated in data processing, are subject to appropriate testing,
		and test results are reviewed and approved by user and data processing management
		- Approve implementation of tested changes
		- Notify data processing departments affected by changes
		- Prepare/update documentation (such as operations runbooks, user manuals, program
		narratives and system description)
4 Com	nputer Oper	ations
	iputer oper	
		CC-R3 Poor computer operation procedures
	Computer of	perations fail to use correct programs, files and procedures
	CC-C05	Require written approval, including user involvement where appropriate, for departures from
		authorized set-up and execution procedures
	CC-C06	Establish adequate job set-up and execution procedures over:
		- Setting up of batch jobs
		- Loading on-line application systems
		- Loading system software
	CC-C07	Establish adequate procedures for identifying, reporting and approving operator actions, such
	00 00/	as:
		- Initial loading of system and application software
		- System failures
		- Restart and recovery
		- Emergency situation
		- Any other unusual situations
	CC-C09	Use control statements and parameters in processing that are in accordance with approved
		procedures
	CC-C08	Prepare and adhere to a production job schedule; document and approve departures from the schedule
		3C11EQUIE
5 Logi	ical Security	y (Data)
	212	
	-	CC-R4 Unauthorised data access
		re subjected to unauthorized access
	CC-C10	Establish a security policy stating senior management's commitment on information security;
		demonstrate such commitment through appropriate actions
	CC-C11	Establish standards, procedures and guidelines that translate the security policy into rules and
		compliance criteria; these standards and procedures normally address such matters as:
		The information classification scheme for information stored on computers and outside of
		data processing, including security categories (e.g., research, accounting, marketing) and
		security levels (e.g., top secret, confidential, internal use only, unclassified)
		The data in each information class and the individuals or functions authorized to use the data
		and the control and protection requirements
		The types of classes of sensitive assets and for each:
		Potential threats
		Protection requirements
		The responsibilities of management, security administration, resource (data, programs or
		assets) owners, computer operations, system users and internal auditors, with respect to:
		Ownership of resources

Procedures for granting access Procedures for establishing users' and access privileges Required authorizations Security monitoring The consequences of noncompliance with policy, standards and procedures The security implementation plan, if applicable

6 Logical Security (Programs) 218 CC-R9 Unauthorized program modification Programs are subjected to unauthorized modification CC-C23 Consider the development of an information security risk CC-C24 Maintain proper physical security over computer hardware and software and information stored outside of data processing CC-C25 Use a security or access control software package to enhance the protection of data fields and system and program libraries CC-C26 Use proper system software controls to ensure that system software is properly implemented, maintained and protected from unauthorized changes 214 CC-R5 Poor design/implementation Systems are not designed according to user needs or are not properly implemented CC-C12 Involve users in review and approval to ensure systems are designed to meet user requirements CC-C13 Use project management procedures to ensure proper management of systems development activities CC-C14 Use a systems development life-cycle, which includes the following key aspects or phases: CC-R6 Poor program change control 215 System and program modifications are implemented incorrectly CC-C15 Use well-controlled system and program change procedures, including:? Properly approved system/ program change requests? Approved changes are tracked throughout change process? Review and approve final design of changes by users? All changes, including those initiated in data processing, are subject to appropriate testing, and test results are reviewed and approved by user and data processing management? Approve implementation of tested changes? Notify data processing departments affected by changes? Prepare/update documentation (such as operations runbooks, user manuals, program narratives and system description) 216 CC-R7 Poor computer operation procedures Computer operations fail to use correct programs, files and procedures CC-C16 Require written approval, including user involvement where appropriate, for departures from authorized set-up and execution procedures CC-C17 Establish adequate job set-up and execution procedures over:? Setting up of batch jobs? Loading on-line application systems? Loading system software CC-C18 Establish adequate procedures for identifying, reporting and approving operator actions, such as:? Initial loading of system and application software? System failures? Restart and recovery? Emergency situation? Any other unusual situations CC-C20 Use control statements and parameters in processing that are in accordance with approved procedures CC-C19 Prepare and adhere to a production job schedule; document and approve departures from the schedule 217 CC-R8 Unauthorised data access Data files are subjected to unauthorized access CC-C21 Establish a security policy stating senior management's commitment on information security; demonstrate such commitment through appropriate actions CC-C22 Establish standards, procedures and guidelines that translate the security policy into rules and compliance criteria; these standards and procedures normally address such matters as:? The information classification scheme for information stored on computers and outside of data processing, including security categories (e.g., research, accounting, marketing) and security levels (e.g., top secret, confidential, internal use only, unclassified)?The data in each information class and the individuals or functions authorized to use the data and the control and protection requirements? The types of classes of sensitive assets and for each:? Potential threats? Protection requirements? The responsibilities of management, security administration, resource (data, programs or assets) owners, computer operations, system users and internal auditors, with respect to:? Ownership of resources? Procedures for granting access? Procedures for establishing users' and access privileges? Required authorizations? Security monitoring? The consequences of non-compliance with policy, standards and procedures? The security implementation plan, if applicable

7 Financial Administration

8 Process Accounts Payable

9 Invoices

223 CC-R10 Missing documents				
Missing documents or information				
CC-C27 Match invoice, receiving and purchase order information and follow up on missing inconsistent information				
CC-C28 Follow up on unmatched open purchase orders, receiving reports and invoices and resolve missing, duplicate or unmatched items, by individuals independent of purchasing and receiving functions				
CC-C29 Prenumber and account for purchase orders and receiving reports				
224 CC-R11 Inaccurate input of data				
Inaccurate input of data				
CC-C30 Use of control totals or one-for-one checking				
225 CC-R12 Fraudulent accounts payable				
Invalid accounts payable fraudulently created for unauthorized or non-existent purchases				
CC-C31 Reconcile vendor statements to accounts payable items				
CC-C32 Restrict ability to modify data				
226 CC-R13 Missing documents or information				
Missing documents or information				
CC-C33 Match invoice, receiving and purchase order information and follow up on missing or inconsistent information				
CC-C34 Follow up on unmatched open purchase orders, receiving reports and invoices and resolve missing, duplicate or unmatched items, by individuals independent of purchasing and receiving functions.				
CC-C35 Prenumber and account for purchase orders and receiving reports				
CC-C36 Match invoice, receiving and purchase order information and follow up on missing or inconsistent information				
CC-C37 Follow up on unmatched open purchase orders, receiving reports and invoices and resolve missing, duplicate or unmatched items, by individuals independent of purchasing and receiving functions.				
CC-C38 Prenumber and account for purchase orders and receiving reports				

10 Discounts

		C-R14 Missing or untimely receipt of documents	
	Missing or ur	timely receipt of documents	
	CC-C39 Investigate unmatched information before due date		
	CC-C40	Maintain accounts payable ledger by discount date	
11 Re	turns/Allow	ances	
Are all		illowances accurately recorded for all authorized credits, and only for such credits?	
		C-R15 Missing documents or information	
	Missing docu	ments or information	
	CC-C41	Match shipping orders for returned goods with vendors' credit memos	
	CC-C42	Follow up on unmatched shipping orders for returned goods and related receiving reports and	
		invoices and resolve missing, duplicate or unmatched items, by individuals independent of	
		accounts payable function	
	CC-C43	Review vendor correspondence authorizing returns and allowances	
_	CC-C44	Prenumber and account for shipping orders for returned goods	
		C-R16 Inaccurate input of data	
	Inaccurate in		
	CC-C45	Reconcile accounts payable with vendor statements	
12 Co	mpleteness	and Accuracy	
		C-R17 Unauthorized input for nonexistent returns	
		input for nonexistent returns	
	CC-C46	Reconcile accounts payable subsidiary ledger with purchase and cash disbursement	
_		transactions	
		C-R18 Unauthorized additions to accounts payable	
	Unauthorized additions to accounts payable

control account

CC-C47

232	CC	-R19	Unauthorised data access	
Unauthorized access to accounts payable records and stored data				
CC-C48		Restrict access to accounts payable and files used in processing payables		
CC-C49 Restrict access to mechanical check signers and signature plates				
Assessments Described by				

Resolve differences between the accounts payable subsidiary ledger and the accounts payable

14 Process Accounts Receivable

15 Billed

233 C	C-R20	Missing documents	
Missing docu	iments	or incorrect information	
CC-C50	Comn	nunicate nonstandard shipping or contract terms to accounts receivable	
CC-C52	Verify shipping or contract terms before invoice processing		
CC-C51 Use standard shipping or contract terms			
234 CC-R21 Cutoff errors			
Improper cutoff of shipments at the end of a period			
CC-C53 Identify shipments as being before or after period-end by means of a shipping log and prenumbered shipping documents. Reconcile goods shipped to goods billed.		mbered shipping documents.	

16 Authorised

235 C	C-R22 Missing documents		
Missing doc	uments or incorrect information		
CC-C54	CC-C54 Match orders, shipping documents, invoices and customer information, and follow through on missing or inconsistent information		
CC-C55	Monitor number of customer complaints regarding improper invoices or statements (performance indicator)		
CC-C56 Mail customer statements periodically and investigate and resolve disputes or inquiries, by individuals independent of the invoicing function			
CC-C57	Prenumber and account for shipping documents and sales invoices		

17 Returns/Allowances

236 C	C-R23 Missing documents	
Missing doc	uments or incorrect information	
CC-C58 Match credit memos and receiving documents and resolve unmatched items by individ independent of the accounts receivable function		
CC-C59	Authorize credit memos by individuals independent of accounts receivable function	
CC-C60	Prenumber and account for credit memos documents	
237 C	C-R24 Inaccurate input of data	
Inaccurate i	nput of data	
CC-C61	Mail customer statements periodically and investigate and resolve disputes or inquiries, by individuals independent of the invoicing function	

18 Completeness and Accuracy

238 C	C-R25 Nonexistent returns input	
Unauthorized	d input for nonexistent returns, allowances and writeoffs	
CC-C62	Reconcile accounts receivable subsidiary ledger with sale and cash receipts transactions	
CC-C63	Resolve differences between the accounts receivable sub-ledger and the accounts receivable control account	
CC-C64	Review correspondence authorizing returns and allowances	

19 Safeguard

239	CC-R26	Unauthorised data access	
Unauthorized access to accounts receivable records and stored data			
CC-C6	5 Res	Restrict access to accounts receivable files and data used in processing receivables	

20 Treasury Management

21 Manage Debt Instruments

240	CC-R27	Excess costs	
Excess costs incurred through inappropriate/unauthorised debt management			
CC-CM27	7 Please	e amend missing control name and describe the control/test	

23 Deal Initiation and Recording

٦	241	CC-R28	Completeness of deals
The completeness of deals captured is exposed to the risk of deal ticket not being written-up or input or if a			
delay occurs between the writing of a deal and deal input			

CC-C66 Reconciliation of receipt of counterparty confirmations

CC-C67 Dealers own review of their positions as reflected on dealers reports

24 Deal Settlement

242 CC-R29 Deal Settlement

Deals due for settlement or action are not recorded or inaccurately recorded CC-C68 Counterparty confirmation.

25 Deal Reconciliation

243 CC-R30 Deal Reconciliation

Reconciliationof bank statements is not performed on not performed on a timely basisCC-C69Reconciliation of deal tickets prior to payment (on a daily basis).CC-C70Reconciliation of deal tickets to bank statements (on a timely basis).

26 Data Integrity

244	CC-R31	Treasury data integrity
Loss or	corruption of	of data covering deals lending to risk exposure or cash loss.
CC-CM	31 Pleas	e amend missing control name and describe the control/test
245	CC-R32	Exposure of treasury data
Exposure of commercially sensitive data to third parties		
CC-CM	32 Pleas	e amend missing control name and describe the control/test

27 Process Funds

246 C	C-R33 Poor cash flow information
Inaccurate,	untimely or unavailable information regarding cash inflows and outflows
CC-C71	Compare information used to prepare cash forecasts with supporting records or underlying documents to verify information is internally consistent
CC-C72	Information systems identify all cash requirements and dates cash is needed (such requirements include accounts payable, loan payments, payrolls, dividends or other cash requirements)
CC-C73	Identify all internal sources of information
CC-C74	Information systems identify all sources of cash and dates cash is due or expected to be collected (such sources include accounts receivable collections, customer deposits, sale of assets, loan proceeds and other cash sources)

29 Financing

250 C	C-R34	Ignorance of financial alternatives
Lack of awa	reness i	regarding financing alternatives
CC-C75	Ident	ify professional advisors who can assist in locating alternative sources of financing and
	consu	Ilt those advisors as appropriate
CC-C76	Retair	n financial personnel experienced in obtaining financing for similar entities
252 C	C-R35	Poor relationships with financiers
Failure to es	tablish	or maintain appropriate relationships with financing sources
CC-C77	Estab	lish relationships with financing sources before financing is needed. Maintain proper and
	curre	nt relationships to facilitate access to cash as the need arises

30 Return

253	CC-R36	Ignorance of investment alternatives
Lack of	knowledge	regarding investment alternatives
CC-C78	Reta	in financial personnel experienced in short-term investments
CC-C79	Use	professional investment advisors

32 Policies

254	CC-R37	Collection problems
Excessive	e account	s receivable collection problems
CC-C80		blish and enforce a credit policy that reflects an appropriate balance between risk of it loss and sales volume

33 Enforcement

255 CC	C-R38 Deposit delays
Handling cas	h receipts internally can delay deposit of such receipts
CC-C81	Consider "lock-box" arrangements whereby payments are remitted to a post office box and the bank collects and deposits such remittances
256 CC	C-R39 Customers delay remittance
Customers de	elay remittance
CC-C86	Monitor accounts receivable for overdue balances; implement collection procedures on a timely basis
CC-C82	Offer discounts for timely remittance
CC-C83	Factor accounts receivable
CC-C84	Honor bank credit cards
CC-C85	Establish and enforce collection policies

34 Co	34 Completely/Accurately		
	257 C	C-R40 Cash received not reported	
	Cash receive	ed is diverted, lost or otherwise not reported accurately to accounts receivable	
	CC-C89	Assign opening of mail to an individual with no responsibility for or access to files or documents pertaining to accounts receivable or cash accounts; compare listed receipts to credits to accounts receivable and bank deposits	
	CC-C87	Consider ability to have customers transfer funds electronically to the entity's bank account, and notify the entity of payment through Electronic Data Interchange (EDI)	
	CC-C88	Consider use of lock-box or other arrangements to accelerate deposits	
	258 C	C-R41 Receipt differences	
	Receipts are	for amounts different than invoiced amounts, or are not identifiable	
	CC-C91	Reconcile general ledger with accounts receivable subsidiary records; investigate differences	
	CC-C90	Contact payor to determine reasons for payment, or payment different than amounts invoiced	
	CC-C92	Send periodic statements to customers and investigate customer-noted differences (performance indicator)	

35 Timing

259 CC-R42 Payment due dates inaccurate
Inaccurate, untimely or unavailable information regarding payment due dates
CC-C93 Information system identifies all cash requirements and dates cash is needed
CC-C94 Use accounts payable aging analysis
260 CC-R43 Bills are paid before due dates
Bills are paid before due dates
CC-C95 Release check at the latest time and at the end of a day or week, if possible
CC-C96 Delay check preparation or signature until the due date
261 CC-R44 Checks clear the bank quickly
Checks clear the bank quickly
CC-C97 Consider check-clearing time when selecting a bank, if possible

36 Minimise

262	CC-R45	Discounts not identified
Inform	ation system	does not identify available discounts and related required payment dates
CC-C9	8 Inforr	mation system identifies payment dates related to available discounts

37 Authorised

263	CC-R4	Fictitious documentation is created
Fictitiou	s docume	entation is created
CC-C99	Exa	amine supporting documents, payments approved by individuals independent of
	pro	ocurement, receiving and accounts payable
264	CC-R4	Reuse of supporting documents
Reuse of	f support	ting documents
CC-C100) Ca	ncel supporting documents to prevent resubmission for payment

38 Timely/Accurate

265 C	C-R48 Payment due dates inaccurate
Inaccurate,	untimely or unavailable information regarding amounts or due dates of payments
CC-C102	Compare payment amounts and recipients with source documents, such as vendor invoices, purchase orders, tax returns, dividend computations, loan repayment schedules or other appropriate documentation; verify accuracy of supporting documents
CC-C104	Establish a "tickler file" to identify payment due dates
CC-C101	Detailed comparison of actual versus budgeted disbursements
CC-C103	Modify information systems as necessary to provide payment information

39 Complete/Accurate

266 0	C-R49	Missing documents or information
Missing doc	uments	or information
CC-C105	Match	disbursement records against accounts payable/ open invoice files
CC-C106		ncile bank statements to cash accounts and investigate long-outstanding checks by duals independent of accounts payable and cash disbursement functions
CC-C107	Prenu	mber and account for checks

40 Safeguard

267CC-R50Inadequate cash securityInadequate physical security over cash and documents that can be used to transfer cashCC-C108Receive and prelist cash by individuals independent of recording cash receiptsCC-C109Reconcile bank accounts individuals without responsibility for cash receipts, disbursements or

	custody
CC-C110	Deposit receipts intact daily
CC-C111	Authorized check signers are independent of cash receipts functions
CC-C112	Physically protect mechanical check signers and signature plates
CC-C113	Restrict access to accounts payable files and files used in processing cash disbursements
CC-C114	Restrict access to accounts receivable files and files used in processing cash receipts
CC-C115	Restrictively endorse checks on receipt
CC-C116	Mail checks by individuals independent of recording accounts payable
CC-C117	Segregate custodial record-keeping functions
CC-C118	Authorized check signers are independent of cash receipts functions
CC-C118	Authorized check signers are independent of cash receipts functions

41 Process Fixed Assets

42 Complete/Acc	42 Complete/Accurate		
268 C	C-R51 Acquisition documentation lost		
Acquisition of	documentation may be lost or otherwise not communicated to proper personnel		
CC-C120	Route copy of purchase for capital expenditures to personnel who process fixed assets;		
	investigate purchase orders not matched with receiving documentation after anticipated		
	receipt date		
CC-C119	Reconcile fixed asset additions with capital expenditure authorizations		
CC-C121	Prenumber individual capital expenditure authorizations and investigate missing documents		
	C-R52 Acquired assets inadequately described		
•	sets may not be adequately described		
CC-C122	Inquire of purchasing or other personnel to clarify asset description or function		
CC-C123	Establish clear definitions for asset categories		
270 C	C-R53 Asset disposals not recorded		
· · · · · ·	sals or transfers may not be communicated to proper personnel		
CC-C124	Dispose of or transfer fixed assets only with proper authorization, a copy of which is provided		
	to appropriate personnel		
CC-C125	Count fixed assets periodically, reconcile count with fixed asset records and investigate differences		
CC-C126	Prenumber fixed asset disposal and transfer authorization forms and investigate missing		
	documents		
	C-R54 Invalid depreciation calculation		
	preciation lives or methods may be used		
CC-C127	Establish policies regarding depreciation lives and methods, communicate them to appropriate		
	personnel, and periodically review them to ensure continued appropriateness		
CC-C128	Review depreciation detail for accuracy and compliance with policies and procedures		

43 Safeguard

272 (CC-R55 Fixed asset security inadequate
Inadequate	physical security over fixed assets
CC-C129	Develop, implement and communicate safeguarding policies
CC-C130	Affix an identification plate and number to office furniture and fixtures, equipment and other portable fixed assets
CC-C131	Restrict access to facilities during non-working hours

44 Process Benefits and Retire Information

45 Eligible

	273 CC	C-R56 Ignorance of program eligibility
	Program elig	ibility requirements are not clearly communicated to appropriate personnel
	CC-C132	Train and update appropriate personnel regarding plan eligibility requirements and amendments thereto
	274 CC	C-R57 Inaccurate employee information provided
	Inaccurate e	mployee information is provided to benefits personnel
	CC-C133	Compare information to employee personnel file or otherwise verify its accuracy
	CC-C134	Limit access to employee data base
	275 CC	C-R58 Eligible employees excluded
	Eligible empl	loyees are improperly excluded from participation
	CC-C135	Periodically match participant list to employee and/or retiree list and to documentation of employees' elections not to participate
	276 C0	C-R59 Ghost employees entered
	Nonexistent	employees are entered as program participants or beneficiaries
	CC-C136	Approval by an authorized official of all additions to participant data base
	CC-C137	Periodically compare participant list to employee and/or retiree list
	CC-C138	Verify existence and status of participant
46 A	ccurate	

277 C	C-R60	Plan benefit provisions unclear	
Plan benefit provisions are unclear or complex			
CC-C139		It legal, actuarial or other professionals as needed to clarify benefit provisions	
CC-C140	Amen	d plan as necessary to clarify benefit computations	
CC-C141		e plan documents describe benefit provisions clearly and include sample calculations	
278 C0	C-R61	Errors are made in calculating benefits	
Errors are made in calculating benefits			
CC-C142 Standardize forms or programs for calculating benefits		lardize forms or programs for calculating benefits	
CC-C143	Revie	w benefit calculations	
279 C0	C-R62	Inaccurate information	
Inaccurate informationCC-C144Approve all changes to data bases used to calculate benefitsCC-C145Limit access to Information and data used in calculating benefits		ion	
		access to Information and data used in calculating benefits	

47 Summarise

280 (CC-R63	Lost or misplaced information
Lost or mis	placed in	formation
CC-C146	Recon	cile various related reports
CC-C147	Use lo	gs or other devices to ensure completeness of processing

48 Legal Compliance

281CC-R64Personnel unaware of regulationsPersonnel are unaware of applicable laws and regulationsCC-C148Review and approve all plan documents and policies by legal counsel experienced in employee
and retiree benefit programsCC-C149Train human resource or other personnel on applicable laws and regulations

49 Distribute Benefit Reports

282 CC-R65 Lack of adequate systems

Lack of adequate systems

CC-C150 Ensure that report generation systems process information accurately and satisfy reporting deadlines

283 CC-R66 Ignorance of reporting requirements

Lack of understanding of reporting requirements

CC-C151 Implement and monitor training programs

50 Process Payroll

51 Contracts/Policies

284 CC-R67 System cannot handle payment schedules

System is not designed to reflect payment schedule included in collective bargaining agreements or individual agreements with employees

CC-C152 Implement payment schedule that reflects wage contracts and agreed-upon payment schedules

52 Accurate/Complete

285CC-R68Unauthorised/Inaccurate payratesPay rates or deductions are not properly authorized or are inaccurateCC-C153Review and approve all nonstandard items such as sick, vacation and bonus payCC-C154Review and approve deductions/benefit electionsCC-C155Review and approve initial pay and any subsequent additions or changesCC-C156Review and paprove initial pay and any subsequent additions or changesCC-C157Periodically verify payroll data base informationCC-C158Security controls that limit access to payroll data baseCC-C159Use standard forms for making changes to payroll information286CC-R69Hours unauthorised/inaccurateHours are not authorized or are inaccurateCC-C160Review and approve time records for unusual or nonstandard hours and for overtime287CC-R70CC-C162Prohibit payment of wages in cash, except in prescribed circumstancesCC-C163Where practical, require valid identification and employee signature to receive paycheckCC-C164Security procedures relating to additions and deletions of employeesCC-C165Use direct deposit systemsCC-C166Use standardized policies and procedures when hiring employees
CC-C153Review and approve all nonstandard items such as sick, vacation and bonus payCC-C154Review and approve deductions/benefit electionsCC-C155Review and approve initial pay and any subsequent additions or changesCC-C156Review payroll register and checks for reasonablenessCC-C157Periodically verify payroll data base informationCC-C158Security controls that limit access to payroll data baseCC-C159Use standard forms for making changes to payroll information286CC-R69Hours unauthorised/inaccurateHours are not authorized or are inaccurateCC-C160Review and approve time records for unusual or nonstandard hours and for overtime287CC-R70CC-C161Prohibit payment of wages in cash, except in prescribed circumstancesCC-C162Maintain logs or other documentation supporting or tracking changes to payroll data baseCC-C163Where practical, require valid identification and employee signature to receive paycheckCC-C164Security procedures relating to additions and deletions of employeesCC-C165Use direct deposit systemsCC-C166Use standardized policies and procedures when hiring employees
CC-C154Review and approve deductions/benefit electionsCC-C155Review and approve initial pay and any subsequent additions or changesCC-C156Review payroll register and checks for reasonablenessCC-C157Periodically verify payroll data base informationCC-C158Security controls that limit access to payroll data baseCC-C159Use standard forms for making changes to payroll information286CC-R69Hours unauthorised/inaccurateHours are not authorized or are inaccurateCC-C160Review and approve time records for unusual or nonstandard hours and for overtime287CC-R70Ghost employeesTime cards or other source Information is submitted for nonexistent employeesCC-C162Maintain logs or other documentation supporting or tracking changes to payroll data baseCC-C163Where practical, require valid identification and employee signature to receive paycheckCC-C164Security procedures relating to additions and deletions of employees to or from the data baseCC-C165Use direct deposit systemsCC-C166Use standardized policies and procedures when hiring employees

426 CC-R209 Lack of awareness of laws	and regulations			

CC-C398	
CC-C399)

Post laws, regulations and company policy in conspicuous locations Conduct periodic training sessions

145 Assure Quality

146 Quality Standards

427 CC-	R210 Production processes lack quality assurance				
Production p	rocesses do not include procedures designed to ensure quality production				
CC-C400	Integrate quality assurance procedures into production processes				
CC-C401	Standardize production processes to the extent practicable				
428 CC-	R211 Product is difficult to produce				
Product is di	fficult to produce				
CC-C402	Design product with appropriate consideration given to potential production difficulties				
429 CC-	R212 Inadequate product testing				
Inadequate p	product testing				
CC-C403	Monitor defect rates (performance indicator)				
CC-C404	Test sufficient quantities of each production run to ensure compliance with quality control				
	standards				
430 CC-	R213 Quality problems undetected				
Quality prob	lems are not discovered or appropriately reported during the production process				
CC-C405	Monitor customer quality related returns and complaints (performance indicator)				
CC-C406	Test products using personnel independent of production processes				

147 Outbound

148 Process Orders

149 For Authorised Customers

431 CC-R214 Poor credit information

Incomplete, untimely or inaccurate credit information

CC-C407 Credit authorization systems that provide accurate and timely customer information regarding approved credit limits, current balances due, age of receivable balance and other pertinent information

150 Accurate and Expediously

432CC-R215Poor pricing/inventory informationInaccurate or untimely pricing and inventory informationCC-C408Use current pricing and inventory information

433 CC-R216 Untimely processing of order information

Untimely processing of order information

CC-C409 Prenumber order forms and periodically follow up on those not processed in a reasonable time frame

434 CC-R217 Poor customer order information

Customer order information may be unclear, inaccurate or incomplete

CC-C410 Verify customer order information with appropriate marketing/sales personnel; contact customer if necessary @CC-R217

151 Valid Orders

435CC-R218Customer orders may not be authorizedCustomer orders may not be authorizedCC-C411Verify appropriate marketing/ sales personnel approved customer order

152 Approved Orders

436 CC-R219 Order documentation is lost

Order documentation is lost

CC-C412 Prenumber order forms; investigate missing documents

153 Store Product

154 Protect Products from Damage

437 CC-R220 Employee carelessness

Employee carelessness

CC-C413Monitor damage caused by employee carelessness (performance indicator)438CC-R221Inappropriate storage facilities

Handling and storage procedures, including storage containers, facilities and maintenance, are inappropriate for the nature of the products

CC-C414 Create appropriate maintenance procedures and schedules for the nature of the storage

		facility
CC-C4	415	Store products in containers and facilities designed with consideration for product features and legal and regulatory requirements
439	CC-	R222 Employees unfamiliar with procedures
Emplo	oyees ar	re not familiar with handling and storage requirements or procedures
CC-C4		Communicate handling and storage policies and procedures clearly to store's employees
CC-C4	417	Monitor compliance with handling and storage policies and procedures (performance
		indicator)
155 Timely	Order	Processing
440	CC-	R223 Improper organization of storage facility
Impro	oper org	anization of storage facility
CC-C4	418	Design and maintain efficient warehouse layout to facilitate order fulfillment
441	CC-	R224 Insufficient storage capacity
Insuff	ficient st	torage capacity
CC-C4	.419	Minimize product inventory while enabling timely order fulfillment
CC-C4	.420	Identify the appropriate number and location of warehouses
156 Compli	iance w	ith company policies
442	CC-	R225 Employees unaware of regulations
Emple		ay not be aware of applicable laws and regulations
CC-C4		Legal counsel, or other qualified personnel, provide information regarding applicable laws and
		regulations
CC-C4	422	Periodic training regarding legal and regulatory requirements
443	CC-	R226 Inappropriate procedures
Inapr		e handling and storage policies and procedures
CC-C4		Monitor accidents or problems due to inappropriate handling or storage policies or procedure
		(performance indicator)
CC-C4	424	Review of handling and storage procedures by legal counsel or other qualified personnel
157 Comple	ete and	Accurate Records
444		R227 Unrecorded movements from/to storage
Produ	uct move	ed into or out of storage may not be documented or recorded
CC-C4	425	Product transfer documents are required for movements of product into or out of storage.
		Such documents are prenumbered, and missing documents are investigated
	CC-	R228 Unauthorised movement in/out of storage
445		be moved into or out of storage without proper authorization
		Periodically count product in storage and reconcile to perpetual records. Investigate

158 Ship Product

159	Retrieve from Storage		
	446 CC-	R229 Incorrect products/quantities retrieved	
	Improper pro	oducts or improper quantities are retrieved from storage	
	CC-C428	Compare products and quantities retrieved from storage with the customer order and/ or	
		product requisition	
	447 CC-	R230 Product is unavailable in sufficient quantity	
	Product is ur	navailable in sufficient quantity	
	CC-C429	Maintain perpetual product inventory records. Notify operations or other appropriate	
		personnel inventory drops below determined level	

160 Packed Properly

448 0	CC-R231	Incorrect packing/procedures
Packing materials, containers or procedures are inappropriate for the nature of the product or methor shipment		
CC-C430		acking materials, containers or procedures that were designed giving consideration to ature of the product and method of shipment

161 Authorised for Shipment

449CC-R232Incorrect data from order processingIncomplete or inaccurate information from order processingCC-C431Compare documents authorizing product shipment with customer order450CC-R233Unordered products shippedUnordered or unauthorized products are included in customer shipment

CC-C432	Compare products to customer order prior to shipment
CC-C433	Monitor customer returns or billing disputes relating to products delivered but not ordered
	(performance indicator)

162 Efficient Delivery

CC-R234 Disruption of normal shipping channels 451

Disruption of normal shipping channels

Identify alternative shipping arrangements CC-C434

CC-R235 Inaccurate or incomplete shipping documents 452

Inaccurate or incomplete shipping documents

Review shipping documents for completeness and compare to customer order for accuracy CC-C435 before shipment

453 CC-R236 Use of inefficient shipping methods

Use of inefficient shipping methods

CC-C436 Periodically review ship alternatives and identify most efficient alternative

163 Accurately documented

454 CC-R237 Incorrect information on shipping documents

Incorrect information is entered on shipping documentation

Compare shipping information with customer order information before shipment. CC-C437

455 CC-R238 Shipping documents are lost

Shipping documents are lost

CC-C438 Prenumber shipping documents and investigate missing documents

164 Timely Shipment

456 CC-R239 Order/shipping documentation lost

Order or shipping documentation may be lost

CC-C439 Prenumber order and shipping documents; investigate missing documents

165 Procurement

166 Select Vendor

167 Identify Vendor

457 CC	-R240 Inadequate vendor screening					
	vendor screening, including periodic requalification of existing vendors, relating to vendors'					
abilities to n	neet:					
CC-C440	Specify procedures for notification by vendors of potential performance problems and for appropriate investigation and follow-through					
CC-C441	Monitor frequency of returned purchases (performance indicator)					
CC-C442	Monitor production problems related to out-of-stock materials and to material specifications (performance indicator)					
CC-C443	Develop data on alternative vendors and periodically reevaluate vendor selection decisions					
CC-C444	Appropriate review of purchase orders					
CC-C445	Investigate and periodically update vendor capabilities regarding production quality and capacity, price (including volume or cash discounts and payment terms), order lead time requirements, current and former customer satisfaction, financial condition, management stability, possible legal restrictions on providing the materials required and pending litigation					
CC-C446	Periodically update vendor information based on vendor performance in meeting terms and specifications of contracts or purchase orders (e.g., timely delivery of acceptable items, correction of errors or problems, and service					

168 Adherence to Procurement Policies

458 CC-R241 Poor data on fraudulent vendors Unavailable or inaccurate information about fraudulent acts or other improper activities of vendors Consider ways to simplify vendor investigation procedures CC-C447 CC-C448 Maintain updated vendor information CC-C449 Institute and monitor code of conduct CC-C450 Review and approve purchase orders 169 Adequate Supply

459 CC-R242 Poor communication of operations' needs Poor communication of operations' or other activities' needs

Timely communication to procurement of operations' or other activities' needs CC-R243 Vendor cannot supply CC-C451

460

Vendors' inability to provide needed quantities due to other higher-priority orders or an interruption in their own supplies

CC-C452	Identify alternate vendors
CC-C453	Utilise forward contracts
CC-C454	Utilise long-term needs analysis

170 Purchase

	C-R244 Inappropriate production specifications
Inappropria	te production specifications
CC-C456	Monitor and analyse production problems related to material specifications (performance indicator); examples of performance indicators include comparing current-period data on production stoppages and slowdowns, rush orders, spoilage, and material price and quantity variances to prior-period data, peer or industry data, budgets, or other pre-established goals
CC-C455	Communicate production specifications to procurement personnel
CC-C457	Appropriate review and approval of contracts and purchase orders
CC-C458	Review existing and revised specifications by technical personnel
72 Prices	

Out-of-date or incomplete price information			
CC-C459 Consider volume purchases by determining total usage of similar materials; combine			
	volume discount		
CC-C460	Monitor material price variances (performance indicator)		
CC-C461	Obtain competitive bids for each acquisition periodically		
CC-C462	Appropriate review of purchase orders		
CC-C463	Use hedging or forward contracts		

173 Quantities

	463 C	C-R246 Poor data on inventory/production			
Unavailable or Inaccurate information on inventory levels or production needs					
	CC-C464	Use forecasts			
	Maintain accurate perpetual inventory records				
CC-C466		Match periodic production schedules to inventory information and order lead-time requirements			
	CC-C467	Appropriate review of purchase orders			

174 Open Purchase Orders

	464	CC-R247	Information on purchase orders unclear
	Informa	ation on iss	ued purchase orders is not clearly or completely communicated
	CC-C46	8 Rout	e copies of purchase orders to appropriate personnel
	465	CC-R248	Purchase orders not recorded
	Purchas	se orders ar	e not entered into the system on a timely basis

CC-C470		receiving information with purchase order information and promptly follow through on anding orders	
CC-C471	Speci	fy shipment mode and delivery date on purchase orders	
CC-C473	Prenu	mber and account for purchase orders	

176 Recording

467	CC-R250	Purchase orders may be lost
-----	---------	-----------------------------

Purchase orders may be lost

CC-C474 Prenumber and account for purchase orders

177 Prevent Unauthorised Use

468 CC-R251 Unauthorised use

Inadequate policies and procedures to prevent unauthorized use				
CC-C475	Notify vendors of company personnel authorized to approve purchase orders			
CC-C476	Approve purchase orders			
CC-C477	Maintain physical security of purchase orders			

CC-C478 Prenumber and account for purchase orders

178 Provision of Services

179 Identify Clients and Customers

469 CC	-R252 Poor market information	
Inaccurate, untimely or unavailable information regarding pricing, products, actual or potential customers, advertising and promotion		
CC-C479	Communication of product capabilities, enhancements or new products from technology development personnel	
CC-C480	Conduct market research	
CC-C481	Evaluate the effectiveness of advertising and promotion (performance indicator)	
CC-C482	Evaluate pricing strategies vis-a-vis competitors' products and pricing	

180 Marketing

181 Fit to market of product/service range

470 CC-R253 Target Market objectives not defined

Objectives with target markets are not defined.

CC-CM253 Please amend missing control name and describe the control/test

471 CC-R254 Product/Service range unrelated to market Product/service range is not related to market expectations

CC-CM254 Please amend missing control name and describe the control/test

182 Coverage of market by product/service range

472 CC-R255 Lack of Coverage

Product/service range fails to cover all intended areas of the entity's business CC-CM255 Please amend missing control name and describe the control/test

183 Satisfying market needs

473 CC-R256 Technically driven product

Product/service range is technically driven, rather than aligned to market requirements CC-CM256 Please amend missing control name and describe the control/test

184 Specification of products/services

474 CC-R257 Inconsistent delivery of product and services			
Inconsistent delivery of product and services.			
CC-CM257 Please amend missing control name and describe the control/test			
475 CC-R258 Inability to ensure market coverage			
Inability to ensure adequate market coverage within marketing/product plans.			
CC-CM258 Please amend missing control name and describe the control/test			
476 CC-R259 Inability to manage delivery costs			
Inability to manage costs of product/service delivery.			
CC-CM259 Please amend missing control name and describe the control/test			
477 CC-R260 Inability to measure product profitability			
Inability to measure product profitability reliably.			
CC-CM260 Please amend missing control name and describe the control/test			

185 Operational Capabilities

186 Maintain Effective Operational Capabilities

478 CC-R261 Limited number of distributors

Limited number of appropriate (distributors)

CC-C483 Identify and evaluate alternative distribution arrangements

479 CC-R262 Poor performance of distributors

Poor performance of (distributors)

CC-C484 Communicate appropriate customer information to (distributors) to ensure timely delivery

187 Quality Services

480 CC-R263 Lack of or excess staff

 Lack of or excess staff

 CC-C485
 Estimate service usage to ensure appropriate staffing levels

 481
 CC-R264
 Administrative services ignored

 Lack of planning procedures that incorporate objectives of administrative services
 CC-C486

 Where appropriate, evaluate the value of using outside service companies rather than

providing service in-house

482 CC-R265 Inadequate cost allocation systems

Inadequate accounting systems for allocating costs

CC-C487 Accurately capture costs and distribute such costs on an equitable basis

188 Provide Client Service

189 Client Inquiries

483 CC-R266 Inadequate information systems Inadequate information systems CC-C488 Maintain accurate and timely product and customer information 484 CC-R267 Untrained staff Untrained staff CC-C489 Provide staff with initial and periodic product and customer service training CC-C490 Customer service representatives present favorable image to customers and are knowledgeable about products 485 CC-R268 Poor service organization Poor organization of customer service department CC-C491 Organize customer service department in most efficient manner (e.g., along product lines, geographical lines, etc.)

190 Satisfy Client Needs

 486
 CC-R269
 Lack of awareness of sales objectives

 Lack of awareness of sales and marketing objectives
 CC-C492
 Customer service representatives understand the objectives common to marketing, sales and customer service

191 Install
